

The Shooting Park plans to open up on Friday, May 1st. As we prepare for the re-opening of American business and recreation, we are excited to get the Park opened up for the 2020 season.

We will have some minor changes to comply with CDC guidelines:

- We will register all shooters that come to the park.
- Our clubhouse will have limited access. You can enter our restrooms through the east side door if needed.
- Waiver of Liability should be completed electronically, prior to coming to the park – our computers will not be available to sign the waiver on.
- Please bring your own hand sanitizer to protect yourself.
- If you want a membership or membership renewal, print the form from our website and have that completed when you come to the Park.

Handgun/Rifle Range shooters:

- Park in the lot and come to the front door for cashiering and to get your targets.
- Please bring your own stapler for stapling targets.
- Practice social distancing at all times.
- Please do not bring non-shooters with you to the range for now.

Trap, Skeet & 5-Stand shooters:

- Check in at the window on the patio side of the clubhouse.
- Practice social distancing at all times.
- Please do not bring non-shooters with you to the range for now.
- Sorry, but we won't be able to offer any help with shooting at this time.
