

## TRAP SHOOTING - BEGINNER'S SESSION

This class is for ladies new to trap shooting or who haven't been able to break at least 5 out of 25 targets in a round. You do not need to bring a shotgun to class, but if you have one that you'd like to use, you may bring it.

You will learn the basic fundamentals of clay target shooting, how to stand and how to handle your shotgun. The session will start with the trap set on straight a-ways. You will learn to focus on the target instead of chasing the target.

You will get one on one interaction during this small group class.

All firearm use, ammo, eye and ear protection are included in the session fee.
